Team Name: _____

Team Captain/ Coordinator: _____

Email Address: _____

Contact Tel #: _____

We know it can be difficult to get people to commit to a whole day for a festival therefore this year we are planning to have community teams race mid day and expect team members would need to be available for no more than two hours! This program is intended for local businesses, organizations, or family/friends interested in forming a crew to learn to paddle a Dragon Boat and reinforcing team spirit in a fun stress free environment.

Where: Pioneer Park Boat Launch; our clubhouse located at 45 7 Ave, Kamloops, BC

When: Practice sessions can be scheduled for between July 4th and August 10th, 2018.

Festival Races: Will be held at Riverside Park and launch off the beach. More information regarding the specific midday race times will be sent once the festival coordinators complete the race grid.

Requirements

- Form a team of 20 (must have 14+ per practice session).
- Maximum of 10 men (no minimum) on a team for competing in Kamloops Dragon Boat Festival Community Challenge Division on Aug. 11, 2018.
- No previous Dragon Boat experience is needed.
- Participants must be 18 +
- Equipment, coach, and boat steersperson is provided. All you need is a Team Captain to coordinate practices for your group of paddlers.

Fees

- The team fee is \$650 (\$32.50 per person for a team of 20), to be paid when registering to guarantee your practice dates. This includes 2 training sessions plus 2 races mid afternoon at the Kamloops Dragon Boat Festival on Aug. 11th 2018 at Riverside Park. Each team will compete against other local businesses /organizations/ groups in their own division.
*Additional sessions and pricing available upon request.
- Payments can be dropped off at the clubhouse or picked up.
Please e-mail vp@kamloopsdragonboatclub.ca to make arrangements for either.
